

STRATEGY PLANNING

PROCESS

2 DAYS 7 QUESTIONS

A proven and tested strategic process that has been uniquely defined and successfully undertaken around the world with business leaders such as Virgin's Richard Branson as well as the leadership and executive management teams of dozens of major businesses such as Barclays, Nike, Qatar Airways and HP. In the toughest 2 days and through the hardest 7 questions you'll ever be asked, Michael Jackson, heralded as one of the world's top speakers on business and strategy, is ready to work with you and your Exco to refine and deliver your new business strategy.

BMW ROMANIA - MAY 2016

"This man is a national treasure" - Nelson Mandela
